

10th VVV Science Meeting

Hilo, Hawai'i, U.S.A.

August 19 – 22, 2019

The 10th VVV Science meeting will be held in the town of Hilo, on the Big Island, Hawai'i, on 19-22 Aug 2019. We will focus on the presentation of the latest scientific results of VVV and VVVX as well as on our strategies for building and sharing High-Level Products (maps, catalogs, etc.) and for matching VVV+VVVX with other Galactic surveys (ATLASGAL, GLIMPSE, DECAPS, UKIDSS-GPS, Gaia, VPHAS, 4MOST, Chandra X-ray, etc.) and time-domain surveys (ZTF, LSST, IPAC/Neowise, OGLE, TESS/K2, etc.).

Science Organizing committee

- Javier Alonso-García (UA, Chile)
- Jordanka Borissova (UV, Chile)
- Dante Minniti (U. Andrés Bello, Chile)
- Phil Lucas (U. of Hertfordshire, UK)
- Roberto K. Saito (UFSC, Brazil)

Local organizing committee

- André-Nicolas Chené (Gemini, U.S.A.)
- Terry Lee (Gemini, U.S.A.)
- Joyce Pullen (MAS, Chile)

Important dates

Registration deadline: June 30, 2019
Abstract deadline: July 15, 2019
