

StarLab Training

Thursday, September 18th, 2014
3:30-5:30 pm

UCB – 127 – University Classroom Bldg. – University of HI - HILO

Instructors: Janice Harvey & Christine Copes – Gemini Observatory
Gemini Observatory is pleased to offer this opportunity for training on the use of the StarLab Portable Planetarium on September 18th, 2014.

This is a great opportunity for you to familiarize yourself with the StarLab, and the accompanying lesson manual.

After being trained, Gemini Observatory will lend the StarLab free of charge for up to a week, (or longer if needed) to those schools or organizations with trained individuals.

(Space is limited to provide adequate hands-on practice)

Please reserve your space as soon as possible by contacting:

Christine Copes
